- In order to receive full registration aid (\$470), a \$50 upload fee must be paid per player and volunteers (player, parent or other pre-designated adult) must attend orientation and serve 40 hours per player. Players must be 13 or older and have soccer experience to serve hours.
- For partial aid, two payments of \$117.50 will be required. On payment due at registration and the 2nd payment due within 45 days, in addition to serving 20 hours per player.
- State Cup/President's Cup/Commissioner's Cup fees cannot be covered by volunteer hours. Those fees must be paid within 90 days or by December 1st, whichever comes first.
- Volunteers are responsible for contacting the coordinator at least 3 days before each event/weekend to see where and when help is needed and are required to respond to all emails. They are also required to contact the coordinator if they cannot fulfill the hours they signed up for.
- Volunteers need to email the coordinator within 24 hours after an event with the amount of hours served and what event was covered in addition to signing in/out at events. This is to ensure you get credit for all hours.
- Volunteers are required to attend a short orientation session. Field Marshalls will need to wear the colored vest (located in the concession trailer) to identify themselves as a club representative, walk around during the whole game and be able to communicate in English.
- Approved volunteers are ONLY allowed to work the hours designated by the volunteer coordinator. Only hours that are assigned by the coordinator will count as served toward the volunteer hours.
- If any volunteer hours are not fulfilled as of May 1, 2017 those hours will be billed at a rate of \$15 per hour to the player's account and must be paid by May 15, 2017 or the player will be submitted to FYSA in bad standing.

If chosen, I agree to the above terms. I understand filling out this form is not a guarantee of acceptance.
