

RE: 2019 Florida Winter Cup Showcase School Absence

To Whom It May Concern,

On behalf of the Florida Winter Cup Showcase, we would like to request the release of student athletes, from your school, to participate in the 2019 Florida Winter Cup Showcase held in Palm Coast, FL on December 13-15, 2019.

We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible when planning out and scheduling our yearly event structure. The 2019 Florida Winter Cup Showcase, one of the Nation's top college recruiting events, begins on Friday and will require the participant student athlete to miss that day from school. Players participating in our showcase event are exposed to one of the largest concentration of college coaches in the country. This event attracts over 75 college coaches from across the United States, exposing participants to institutions competing in the NCAA Division 1, 2, and 3. Many players competing in our showcase expand their college scholarship opportunities simply by participating in the Florida Winter Cup Showcase.

While we understand the importance of education, we also believe that the sport has its place for many of our participants, specifically as a vehicle for financial support for college. We hope you will understand and excuse the absence of student/athletes from school during Friday, December 13, 2019 to allow them to participate in the Florida Winter Cup Showcase Event.

Please feel free to contact us with any questions.

Sincerely,

*Steve Lovgren*
