

# Travel Uniform System (January 2019)

---

## What are we doing?

- When registering for a program, players will be asked for their high school year of graduation (YOG).
- The **first** time your player registers for a travel program, they will be assigned a number (odd or even depending on YOG) which they will keep throughout their years of participation on SSC travel teams.

## Why are we implementing this new process?

- Spring league play requires unique numbers on every team. To that end, we have historically required every participant order a new uniform each spring.
- By assigning numbers, we can ensure that there will be no duplicates on any SSC travel team as players ascend through the years (grades 3-4, 5-6, etc.).
- Families will be able to use the same uniform for multiple years. (Note that vendors tend to change their uniforms on two year cycles.)
- Families will be able to order directly from WeGotSoccer (starting in summer 2019 for the fall season), which means that new items can be purchased at any time.

## Next steps

- Permanent numbers will be assigned for the upcoming spring season **BUT** SSC will handle the ordering. (Sorry, no requests. Managing them fairly would be virtually impossible.)
- Starting with the fall 2019 season, parents will order uniforms (with assigned numbers) for their children directly from WeGotSoccer.
- More information on ordering will be provided in June after evaluations.

## What's my child's YOG?
