Pee Wee Flag

Your 2018 Pee Wee Flag Bearcats are in the SHIP!!! Most players thought they were taking their first cruise, but Coach Joe, Coach Karen, and Coach Leo corrected that fast. This team after losing their first two games of the season, have won 6 of their last 7 games! Last week they beat Georgetown Texans in the Cotton Bowl 14-6. Giving the Texans their first lost of the season. That was the first stop for the Pee Wee team on their revenge tour. Where's the next stop? This Saturday at Hutto High School against the undefeated Manor Mustangs. The Bearcats lost their first meeting in Week 2 16-6. Please join us this Saturday as our Pee Wee Flag team looks to cap off an amazing season and capturing another championship for the Capital City Bearcats.

Rookie Tackle

Your 2018 Rookie Tackle Bearcats finished the season strong after defeating the Manor Mustangs in Sugar Bowl last Saturday. This game was a revenge game from Week 2 in the regular season as our Bearcats lost to Manor in 18-19. An amazing group of young men. Out of the 18 players on the roster only 1 player had ever played tackle football. Thank you, Coach Charles Lewis, Coach Ronnie, and Coach Q for teaching our athletes the game of football. Mother nature was not kind to us this year, but you were able to get a group of athletes to a 6-3 record and a FIRST PLACE Bowl Win!

Senior Tackle

9 down... 1 to go! After turning the page on amazing three-year trilogy with Spring Branch with a win in the Orange Bowl, it's on to the SHIP! Excuses will be made, the rumors will spread, smack will be talked, but when you look at the scoreboard 9 teams (1 wanted no part of the Bearcats) have tried and all have failed. This week we play a great Hutto team that allegedly fears no one and have called their shot on social media with (#CapCityWeComingForYou). Well this Saturday 6PM on their field we will see who's the last team standing.
