Be a Bearcat Volunteer

Dear Parent(s) or Guardian:

Another Capital City Bearcats season is once again here. We are excited to announce our new organizational policy on **Volunteer Service Hours**. Studies show that parent/guardian involvement in a child's extracurricular activities is one of the important factors in raising a child's self-esteem and academic achievement. Moreover, involvement should go beyond just paying a fee and dropping your child off. We are a family oriented organization and we want you to also see this as a commitment in maintaining and helping the Capital City Bearcats to continue to grow and flourish as an organization. We realize, however, that each of our families is unique – with its own priorities, needs, talents, and time constraints -- and so we try to provide as many different kinds of opportunities for parental/guardian involvement as possible. Please review the volunteer opportunities below, and check the one(s) that best work for your family.

Each parent/guardian will be required to give **at least four** Volunteer Service Hours. **If you feel that your family schedule does not allow you to volunteer your time, you will be required to pay a flat fee of \$25.00 before any type of equipment or uniforms will be distributed or ordered.**

This year each Coaches and Team Managers will be required to make sure that four parents/guardians work concessions for each home game.(ie work games where your child is not playing)
