

FC LEGACY FALL 2014 NEWSLETTER

FC Legacy Families,

We have passed the midpoint of our fall outdoor soccer season. Several teams are at or near the top of the standing and every team has improved from the beginning of the season. Most importantly, I see a lot of smiling faces. It looks like lots of kids are having lots of fun.

PINK SHOE LACES

As you probably know, October is Breast Cancer Awareness month. In keeping with our partnership with the Breast Cancer Foundation of the Ozarks, we will be distributing pink shoe laces to the players this week, either at practice or at their Saturday games. By wearing these laces the players can show their support for all the survivors, care-givers, friends, and family as well as those we have lost to the disease. My family has been touched by breast cancer as have several others in the club.

Please also take this opportunity to talk about why we wear pink to your players, especially your girls, to make sure they are educated and aware of ways to prevent and identify the disease early.

FUTSAL TOURNAMENT SPONSORED BY FC LEGACY

That's right, we are taking on a new challenge, hosting our first-ever futsal tournament! With the help of Marc Mulerhin and his staff at the Branson Convention Center, we will be hosting the 1st annual event, January 10-11, 2015. The Board has named Chad Courtney as the Tournament Director. We will need a lot of help organizing and running this event. If you would like to get involved with the planning, please contact Chad at chad@courtneyandmills.com. If you or someone you know would be interested in being a sponsor please let Chad know as well.

HEARTLAND CHAMPIONS!

Two of our teams playing in the Heartland League in Kansas City are bringing home division

championships! Congratulations to the U9 Boys, coached by Wagner Huttenlocher and the U14/15 Boys, coached by Brian Hunepohl for clinching first place this past Sunday. The U13 Girls also had a successful season, currently standing second in their bracket at 6-2. All the players represented the club and themselves well and we are proud of all of them. Well done Legacy!

WINTER INDOOR

If it is October, it must be time to think about indoor soccer. [Registration is open](#) for both the November and January sessions. We would love to have all of the players participate in both sessions but if it works better for your family to skip one or the other, that is fine too. We are working on gym space and practice schedules now and will have those available shortly. If you have access to gym space that we could use for practices, please let me know.

I appreciate getting to serve as your Club Director. If I can be of help in any way, please do not hesitate to contact me either by email or cell ([417-576-0071](tel:417-576-0071)). Thank you for being part of FC Legacy.

Scott
