Vice President's Report (VicePresident@rtsa.org) – Sylvia Kirkpatrick

- We are at 280 registrants for fall soccer with 1 more day to go. We typically have 300 for the fall season. Registration closes August 1. This is a hard date with hopefully no late registrants.
- Just as a reminder, parents should remember that teams are broken down by school unless there are extenuating circumstances. International boys and girls may need to be adjusted based on the fact that international has 31 registrants and 2 coaches signed up. We are exploring several options to ensure these boys and girls have the best soccer experience
- I am in the process of entering all team parents and booster reps for travel. If there are any questions please email me

Boosters' Report (Boosters@rtsa.org) – Jamie Browne - President

- Boosters will be moving the monthly meetings to Sunday nights and **NOT** the same night as the Association Meetings. This should be more convenient for people
- Need more Booster Representatives and Team Parents to come to **EVERY MEETING**
- Thinking of doing concession sales at games

President's Report (President@rtsa.org) – Jill Wilson

- NO REPORT

Director of field Operations & Development (FieldOperations@rtsa.org) – Dave Wilson

- Put small sided nets up @ Hudsonia
- Norway needs to be aerated & seeded
- If you need practice fields this summer, contact me
- Tree for Mike Masar will be in before start of the season on September 8th @ Norway
-

Head Referee's Report (HeadReferee@rtsa.org) – John Olsen

- All checks have been mailed by Mary (please confirm). To date all outstanding issues with short pays or missing pays have been resolved with the possible exception of Alex Swartz, if Mary can confirm
- Still want to come up with a “better” system of referee confirmations – perhaps it makes better sense to have them send their reports to me and I can cross reference and provide Mary with a summary report for her to pay from – thoughts?
- Attempted to register my sons for fall season referees and was unable to access within the system – has the ref “team” been opened within RTSA? Have heard from two other parents that they were unable to complete registration for their child
- There is no intention to have a new cadet class for this season as there are too many refs from prior season
- Would like to initiate a committee to assist in providing ALL referees with an evaluation, either from the various coaches or independent evaluators
- I can set up calls to discuss but will be travelling from now till September 17th so not able to attend weekday meetings (other than Friday nights)

Travel Director's Report (TravelDirector@rtsa.org) Rick Suntag

- PCN's are due **NOW**, get them to me
