- The two main goals at Norway have had new nets installed in them. I took out the old ripped up nets and replaced them with two new orange nets.
- The big hole at Christ Church on the big field. I know Tom mentioned this will be fixed I will confirm that tomorrow when my team has practice.
- Norway field is starting to brown out. Joe had mentioned that there is a sprinkler system in place for that field. We need to look in making sure that the sprinklers go off every day.

Head Referee's Report (HeadReferee@rtsa.org) – John Olsen

- The first month of the season is in the books.
- All together we have officiated 27 matches, Cadets and Experienced referees combined have accounted for 41 assignments for \$690 in referee fees.
- As of tonight there has been no reported issues with parental/coach abuse on the referees nor complaints for poor officiating.
- All nets have been anchored.

Uniform Committee & Light Committee- Matt Bianchi

- The sample uniform is due in next week from the vendor. Question is do we set up a try-on or just order volume with various sizes. I would prefer just to order quantity and then worry about numbers/names. We would have uniforms late August if we get order in asap.
- New uniforms will apply to all teams that will be U-13 and under in Fall '15.
- Teams should consider fundraisers to off-set cost.
