1. Fall Raffle

- Total amount collected between ticket sales and donations was \$12, 526.00.
- Multiple people handed in both parts of their tickets, but the stubs were filled in so their tickets are included in the raffle.
- 5 people didn't submitted the ticket stubs, but there was identifying information written either on the other part of the ticket or envelope that identified who the tickets were sold to & included contact information so these tickets are included in the drawing.
- 3 tickets with money were handed in, but there is no way to identify who purchased them so they are not included in the drawing. The money is counted in the donation amount collected.

2. Rec Medals

- Medals were ordered from Crown Awards and were distributed to Recreation coaches
- Total Cost: \$755.01

3. Picture Day

- Why did some Rockaway Valley coaches cancel their team pictures?
 - Heard from parents who were disappointed that their child could only get an individual picture
 - The picture schedule was designed to allow all teams enough time for their games and pictures
- Coaches need to pick up pictures in a timely fashion. 2 pickup dates should be enough.
 - We can't schedule multiple pickup dates.

- ii. Some coaches never responded to multiple emails about picking up pictures and medals and didn't pick up their items by the end of the season.

4. Applebee's Breakfast

- a. Thank you to Maureen Comacho for arranging this event.
- b. The breakfast is scheduled for Sunday, January 29th from 8am- 10am.
- c. Each travel team needs at least 2 parents to volunteer.
- d. Volunteer duties: greet guests, take beverage order, deliver drinks and plates of food, refill drinks, clean tables, set tables with clean utensils
- e. Applebee's staff cooks the food. Typically, we don't need to do any washing.
- f. Should we have volunteers wear RTSA clothing apparel?
- g. Notices will be emailed to all families and posted on Facebook. Should we place an ad in the newspaper as well?
