President's Report (President@rtsa.org) – Tom Nolan

Welcome to another year of soccer for RTSA.

Registration is underway for Rec, Valley and HS Travel. Travel teams have been registered for the Spring and flight requests have been entered.

Welcome to our new Board Members Rob Carmagnola, Rick Gordimer, Dave Sproul, Aaron Tomasini and Jeff Fino. We look forward to working with you this year. Our club needs new blood to help keep the energy levels high. There is much to do and we will be meeting soon to go over plans for the upcoming year.

Thank you very much to our outgoing board members, Mary Pace, Joe McMahon, Shelly Errante and Anthony Polito. You all helped our program in many different ways and that help is priceless.

A very special thank you to Jill Wilson. She gave many years to this program and stepped in when few were looking to help out. She was on boosters and eventually was our president. Unfortunately with the passing of her husband, she had to step back. Luckily for us, she stayed on as VP for a couple of years and was a great resource to us. RTSA can't thank her enough for all the time she gave to make this a better club.

Going forward look for announcements about Travel tryouts. This year it will be over two weeks with boys and girls alternating days so that there is more room on the field to evaluate. Tryouts week of 4/24 & 5/1.

The raffle was a great success in the Fall raising over \$12,000. We will be using that money to offset the costs of additional training for rec, practice equipment for all, new goals, additional lights being rented so that everyone can practice at reasonable times, including Rec.

I sat with the town this past week to discuss the usage of Enholm Field. We were able to keep our usage for Sunday's starting at 2:00 and will be allowed some Saturday usage depending on the Lacrosse schedule. We won't be getting any use of the HS fields.

Travel Director's Report (TravelDirector@rtsa.org) – Rick Suntag

Uniform Committee- We are looking at options for Spring Rec Including a whole Kit but, may prove difficult for this season as we have already registered and we would really need sizing. We will decide and place the order once we have all Rec numbers. I have Valley's order for shirts and will place soon. Travel we have the Adidas sample and the Capelli samples to show people are practices on Feb 12th. We will vote at the next meeting on which we will go with as a club. It will be on average 101 to get Adidas and 83 for Capelli. I will have spec sheets and pricing for next meeting.
