

2020 Lacrosse Sponsorship Form

Perdido Bay Youth Sports Association (PBYSA) is a 501(C3) non-profit organization dedicated to support the education and development of good citizenship for the youth in our community through organized team sports. Our goal is to educate and develop each child's own character, self-esteem, attitude, sportsmanship and to take pride in our community with adult volunteer leadership providing the example. Many of these athletes go on to play in high school and college, but it would not be possible without the generosity and support of community sponsors like yourself. We invite you to participate by being a sponsor for the Perdido Stingrays Lacrosse program this season.

With your contribution you will receive a tax-deductible letter acknowledging your charitable contribution as well as our gratitude. Please be assured that your monetary support will be used solely for direct support of the Perdido Stingrays Lacrosse program within PBYSA.

For additional information or questions please contact the Director of Lacrosse, Jon Reinsch, at perdidolacrosse@gmail.com or by phone at 575-749-3444. We appreciate your continued support of Perdido Lacrosse!
