**Classification of Use:** The Ripon Parks and Recreation Department fee structure for neighborhood or community parks will be based on the classification of the user/renter. Any organized activity must have prior approval to utilize any city park or facility per city ordinance. Any individual, organization, group, or team must provide a one million dollar insurance rider listing the City of Ripon as additional insured in addition to providing the City of Ripon a cleaning/security deposit. The deposit will be refunded if all park rules are followed and the facility is left in good condition. All trash must be picked up and all trash cans must be emptied into trash bins. If park rules are broken, the facility is damaged or left a mess, or if the police department has to be called out, the deposit will be forfeited. Current concession policies and other park rules will be enforced.
