Due to tight scheduling, it is impossible to change a scheduled game. The only exception would be for the death of a family member of a coach or player. Games will be canceled only in the vent of severe freezing weather, ice storm, or other serious reasons. If games are canceled, information would be available by calling the Recreation Department's office or the recorded message at 291-8375, 291-8368 or 291-8380. If a team cannot play at certain times or days, the coach should contact the office prior to scheduling.

11) **GYM SUPERVISOR:**

The gym supervisor is in charge of the gymnasium. The person in charge has the authority to ask anyone to leave the building. Failure to do so (subject to review by the Recreation Staff) will result in that person being barred from the program, and the game will be forfeited.

12) **PROTESTS:**

No **protests** in Youth Basketball. If a coach feels there is an incorrect interpretation of the rules, it must be put in writing and given to the Coordinator so that proper interpretation can be made. The name of the official should be given on the written complaint so that he can be informed of the correct interpretation. All written complaints must be signed by the person filing the complaint. Judgment calls should not be construed to come under rule interpretation.

13) **HECKLING:**

Heckling officials, coaches or players will not be permitted. A technical foul will be assessed to players and coaches. Spectators will be warned by officials and coaches the first time. The second offense will be a technical foul and the individual will be asked to leave the building.

A ball thrown from one player to another without both players touching the ball at the same time and with enough distance between the players so a defensive player could fit between them.

18) ATTEMPTED PASS:

19) AUTOMATIC TURNOVER:

If the ball hits the backboard or the rim before the one-pass rule is satisfied. If the offensive player with the ball or airborne player is fouled before the one pass rule is satisfied, it will be considered a common foul. (Exception: Technical and intentional foul).

SITUATION: Player with ball jumps and throws ball toward basket before one pass was satisfied. Ball is in flight when player is fouled. Ball never touches anyone before hitting rim or backboard. Borrowing of Players Rules

We encourage Associations to create smaller and more teams for every sport when possible. This will provide more playing time for more registrants on a normal basis and therefore more enjoyment from playing for the Youth of our Parish. This does sometimes create playing issues with regards to having enough at game time. Therefore, we allow “borrowing” of players when possible so that more participants can play more. Below is a listing of restrictions which must be adhered to for the betterment of the programs.

- 1) Players may be borrowed only from other teams in the same age group and sport and from the same Association.
- 2) A team may borrow as many players as is necessary to reach a roster total of two (2) more than the minimum number of positions on the court.
- 3) Borrowed players must wear their original team uniforms when playing.
- 4) Borrowed players may not play in the first quarter.
- 5) Borrowed players may not start either the third or fourth quarters or any overtime.
- 6) No team may borrow the same players a second time before all other available players from the league have been borrowed.

Clarifications: For rules #4 and #5 above; If a team does not have five (5) players available to start any of these quarters then a borrowed player may start. A borrowed player is never allowed to start the first, third or fourth quarters if the team has at least five (5) team roster players available.

Violations of these procedures and rules are not in the best interest of all our participants! Violators can and will be disciplined by their Associations and/or LRPD.
