

12U Forest Hill Express Baseball

Donation Letter

The coming 2021 spring baseball season is under full swing. This will be an exciting season for our Forest Hill Express Team. They will be competing at Cooperstown Dream Park. The boys will get an opportunity to play against some great baseball teams from across the country.

We are looking to the community for sponsorships to assist with the fees associated with making this dream come true. The team consists of eleven young baseball players who are looking forward to an experience of a lifetime. We appreciate any level of donation your business is able to make to our promising team.
