

## SNLL BOARD OF DIRECTORS LETTER OF INTENT

*This letter indicates my intent in seeking nomination*

*for the following board position:* \_\_\_\_\_

It is my intention to follow the rules & bylaws governing Santana National Little League (SNLL). By signing below, I acknowledge that I am aware of the duties and time commitment required for both the position I am seeking and as a Board Member in general. I have read the job description for the above position and understand that I am responsible for the specific jobs of the position I am seeking on the Board of Directors. I am also agreeing that I will make every effort to be in regular attendance at all board meetings and at league functions where Board Member help is necessary (i.e.: Registration, Try-Outs, Field Maintenance Day, End of the Year Picnic and other events).

I understand that if elected to the position, the term is for one year; at which time I have the option to seek the same position or another one which I may be interested in. I understand that if during my one year term I violate the Code of Conduct, I am unable to fulfill the duties of the position I am seeking or my duties as a Board Member in general, or I show a disregard for the position including dereliction of duties, I can be brought before the Board of Directors & removed from my position.

All letters of intent for board positions must be handed in to any current Board Member. If you wish to be put on the ballot for election to the following year's board, you must submit this letter no later than the posted deadline. Any person who fails to hand in a letter of intent will not be eligible for election to the Board of Directors and will not be placed on the ballot. You can contact any Board Member of SNLL by email or phone (see website for contact info) to drop off your letter of intent.
