The Howell Township Police Department in conjunction with the Howell Township Police Athletic League would like to welcome you to participate in our 9th Annual Law Enforcement Youth Academy. Your child will be representing the Howell Township PAL and Police Department therefore they should remain respectful at all times to their supervisors, peers, and the Monmouth Fire Academy Staff and property. If at anytime we feel your child is not conducting themselves to these standards, we will contact a parent/guardian to pick him/her up and remove them from the program.

This camp will take place at Monmouth County Fire Academy located at 1027 Hwy. 33 East in Howell. The camp will be an intense week of training, exposing your child to many different facets of police work. The PAL will provide each camper with a baseball cap and blue T-shirt. Please have your child arrive at camp by 7:45 AM **sharp** each morning, as we will begin promptly at 8:00. They should be prepared for camp with the following items:

Khaki shorts, white t shirt, running sneakers, white socks, black belt, 1 gallon of water (with name), no jewelry, no facial hair, hair up in a bun, beach towel, notebook - pen & pencil, lunch (with name), sunscreen

This program will introduce your child to the skills and techniques a police officer acquires while going through a certified police academy. During the academy the trainees will experience blocks of instruction on police procedures to include:

- Crime Scene Investigation, Arrest Procedures, Handcuffing, Accident Investigation, Vehicle Pursuit, Fire Rescue, Self Defense

The academy will also incorporate the character education and disciplinary techniques used at a police academy which include coping with the negative comments from instructors as examples of dealing with negative comments from public.

Due to the physical nature of this academy and expected hot weather conditions, all campers must report any injury or ill feelings immediately to the police officers who are instructing at the camp. This requirement will allow appropriate care and response.
