BEFORE AND AFTER CARE PROGRAM

September 2019 – June 2020

HOWELL TOWNSHIP POLICE ATHLETIC LEAGUE MISSION STATEMENT

The Howell Township Police Athletic League mission in our community is to give every child the opportunity to participate in everyday childhood activities in a safe and caring environment. The Police Athletic League does this through a number of programs and activities. The Police Athletic League goal is to provide diversity in our program in order to reach the greatest number of young people possible. We also strive to foster a partnership between youth and police officers in the community. This is and of itself is a tremendous asset. Whenever you have young people in the community playing, working, and interacting with law enforcement, the entire community will benefit.

COMMUNICATION

We feel it is very important to maintain an open and friendly path of communication with our families. We will regularly distribute information at your child's program site that will be of interest to you. Information will also be forwarded to you via email. Please ensure that the PAL Main Office has all of your up-to-date contact information.

REGISTRATION

IMPORTANT: All parents/guardians who wish to register in any PAL childcare programs are now required to do so by utilizing our improved software, ELEYO. All children must be registered prior to the beginning of the Howell School District academic year in order to attend the PAL Before Care or After Care program on the first day of school in September.

TUITION

Tuition is due on the first day of each month in advance of service. Tuition is payable in 10 installments beginning September 1 and ending June 1.

Monthly payments can be made by credit card or electronic funds transfer (EFT). You must fill out an Automatic Billing Authorization Form at time of registration. Your account will be charged on or about the first of each month.

The monthly payment will be in accordance with the program you have selected and the attendance frequency indicated on the approved ELEYO Registration Form that you have submitted and at the agreed upon rate.

Tuition not received 10 days after the payment due date is considered delinquent. A \$10.00 late fee will be charged. Delinquent payments may lead to your child being removed from the program. Any collection and/or legal fees required to collect delinquent payments will be at the expense of the parent/guardian.

TUITION CALCULATION

PAL AM and PM school based childcare programs are considered to be academic school year programs available September through June. The monthly tuition rate will be in accordance with the childcare program, schedule type and number of school days that fall within the schedule you have selected during the on-line registration process. Any subsequent change requests you submit will also affect the monthly tuition rate. More specifically, the monthly tuition rate will be calculated based on the daily rates listed in the pricing schedule (viewable during the on-line registration) and the number of school days you have selected in each month. As such, the tuition amount billed and the payment amount required will vary month to month.

PLEASE NOTE: Tuition Discounts are available for siblings enrolled in PAL school based childcare programs. For additional discount information, please contact the PAL Main Office.

ADDITIONAL FEES

Additional fees may be charged for the following services:

- Unscheduled additional day(s) or drop-in day(s).
- Schedule changes.
- Variable schedules.
- Late pick-ups.

Additional fees are billed and charged immediately upon the scheduling of the service requested and/or provided.

PARENTS' CODE OF CONDUCT

We expect parents and guardians to be respectful and cooperative with our PAL supervisor, staff and to all children. Any parent or guardian who we feel is disrespectful, disruptive, threatening, uncooperative, or inappropriate will risk their child's expulsion from the program. Parents are not permitted to approach or discipline other PAL children in our program. A child may also be removed from the program due to a parent or guardians habitual tardiness when picking up the child. Removal is also possible due to an overdue account.

ARRIVAL, DEPARTURE AND RELEASE OF CHILDREN

AM ARRIVAL PROCEDURES

Parents must escort their child into the building and sign the child in. Opening times are dictated by the Board of Education and are scheduled for 7:00 AM. Please do not arrive before your site's schedule time.

Please take the time to meet with our PAL supervisor and staff members. Please be advised that you can discuss with the staff any issues or concerns particular to your child. Remember, the better informed the supervisor and staff is, the better they can assist and manage any situation which may arise involving your child.

PM PROCEDURES

Please make your child's district school is also aware of what days your child will be attending our childcare program. This will avoid confusion at dismissal time!

Please allow yourself sufficient travel time to pick up your child promptly. PAL PM sites are scheduled to close at 6:00 PM. Parent/guardians will be charged a late fee for late pick-up.

At pick-up time, please take the time to meet with our supervisor and staff members. You may then sign your child out.

Parents/Guardians and approved others will be asked to show proper identification. Please have your identification available.

UNSCHEDULED ADDITIONAL DAY PROGRAM

The unscheduled additional day or drop-in day program is designed as an as-needed service. Please make sure your child is aware that they will be coming to the PAL site on the day requested. Parents/Guardians must also notify your child's district school to avoid any confusion at dismissal time. Fees for the unscheduled additional day will be billed when the unscheduled additional day is scheduled.

ABSENCES

Please call the PAL Main Office if your child will not be attending for any reason. You must also notify the district school your child attends. Please note that you must notify the PAL Main Office and the District School Main Office of any absence.

Tracking a child absent without notification, therefore "missing" from our site, is a critical step in ensuring the safety and security of our children. It involves our site staff, district school staff, our PAL Main Office and others during a critical point in the day at school dismissal. Therefore, a parent who neglects to call their child out repeatedly will risk expulsion from the program.

If your child is scheduled for after school care and is sent home from school due to illness or for any other reason, or is picked up at school that day, or is being transported home that day by district bussing, you are responsible for calling the PAL Main Office before the start of the aftercare session to advise our office of your child absence at aftercare.

If it is your child's scheduled day for PAL care and he or she will be attending another function at the school, the PAL Main Office must also be notified. You must let us know if the child is to attend PAL aftercare after the function or if they will be picked up. This notification ensures that your child is properly accounted for and is properly supervised at all times.

ESCORT AND RELEASE OF CHILDREN

In order to provide a safe environment for your child, we ask that you please maintain an updated approved pick-up list in your child's file, so that we may ensure your child's safe return home. If there are any changes in the authorized pick-up list, please notify the PAL Main Office immediately. Authorized pick-up persons will be required to show proper identification.

Each child will be released only to the child's parent(s) or person(s) authorized by the parent(s) to take the child from the site and to assume responsibility for the child in an emergency if the parent(s) cannot be reached.

If a non-custodial parent has been denied access, or granted limited access, to a child by a court order, the PAL Main Office must secure documentation to that effect, must maintain a copy on file, and will comply with the terms of the court order.

If the parent(s) or person(s) authorized by the parent(s) fails to pick up a child at the time of the center's daily closing, the site shall ensure that:

- 1) The child is supervised at all times;
- 2) Staff members will attempt to contact the parent(s) or person(s) authorized by the parent(s); and
- 3) An hour or more after closing time, and provided that other arrangements for releasing the child to his/her parent(s) or person(s) authorized by the parent(s), have failed and the staff member(s) cannot continue to supervise the child at the center, the staff member may call the Family Services

24 hour Child Abuse Hotline (1-877-NJ-Abuse) (1-877-652-2873) to seek assistance in caring for the child until the parent(s) or person(s) authorized by the parent(s) is able to pick up the child.

If the parent(s) or person(s) authorized by the parent(s) appears to be physically and/or emotionally impaired to the extent that, in the judgment of the director and/or staff member, the child would be placed at risk of harm if released to such an individual, the site shall ensure that:

- 1) The child will not be released to such an impaired individual; and
- 2) Staff members will attempt to contact the other child's parent or seek an alternative arrangement.
- 3) Staff members may call Family Services 24 hour Child Abuse Hotline (1-877-NJ-Abuse) (1-877-652-2873) to seek assistance in caring for the child.

FOR SCHOOL-AGE CHILD-CARE PROGRAMS,
NO CHILD SHALL BE RELEASED FROM THE PROGRAM UNSUPERVISED.

COURT ORDERS

In cases where an enrolled child is the subject of a court order (i.e.: Custody Order, Restraining Order or Protection from Abuse Order) the PAL must be provided with a **certified copy** of the most recent order and all amendments thereto. The orders of the court will be strictly followed. In absence of a court order on file with the PAL, both parents shall be afforded equal access to their child as stipulated by law. The PAL cannot, without a court order, limit the access of one parent by request of the other parent, regardless of the reason. If a situation presents itself, where one parent does not want the other parent to have access to their child, we suggest that the parent keep the child with them until a court order is issued. If conflicting court orders are present, the most recently dated court order will be followed. Once presented with a Protection from Abuse or a Restraining Order, the PAL is obligated to follow the order for the entire period it is in effect. Employees of the PAL cannot allow the orders of the court to be violated.

THE PAL WILL REPORT ANY VIOLATIONS OF THE COURT ORDERS TO THE COURT.

CLOSING PROCEDURES

SCHOOL CLOSING

If your district school closes due to inclement weather, your corresponding PAL site will also be closed. If there is an early dismissal for any reason, the PAL site will remain open. Parents may be called and asked to pick up their children early, if possible. AM childcare sites will not be open on delayed opening days. The PM session remains as scheduled. No refunds will be given for emergency closing days.

VACATION DAYS

When the school district is closed for vacation, the PAL school based sites will also be closed.

Please note that the PAL does offer a fee-based childcare program at the PAL administered Southard School during school district scheduled days off and during extended school district recess. Additional information is available at your childcare site, at the PAL Main Office and on our PAL website.

SNACKS

Each day a snack will be provided at the PM programs. If your child has food allergies and/or is on a restricted diet, please inform the PAL staff accordingly. If your child would prefer, you may send an alternate or additional snack from home.

ITEMS FROM HOME

The PAL cannot be responsible for any items lost or stolen. Because we cannot differentiate between our students' belongings and the belongings of students not enrolled in the program, please check the school's lost and found for any missing items.

HEALTH POLICIES

Please do not send your child to the PAL program if they have exhibited any signs of communicable diseases within the past 24 hours. If your child becomes ill while at the PAL program you will be notified and expected to pick up your child or arrange to have them picked up as soon as possible.

In order for our staff to administer medicine, prescription or non-prescription, a physician's note along with a note from you with proper instructions must be on file at the PAL Main Office and at our childcare site. Additionally, the parent/guardian must complete a PAL Medical Release Form. Prescription medication must be stored in its original container with the prescription label still on it. If these are not submitted, medication cannot be given.

In the event of an emergency or accident, all efforts will be made to contact you immediately. If we are unable to reach you or your emergency contacts, an ambulance will be summoned if necessary.

PAL POLICY ON THE MANAGEMENT OF COMMUNICABLE DISEASES

Additionally, the State of New Jersey Department of Human Services requires that all school-age child care programs obtain a written statement from each child's parents indicating (1) that the child is in good health and can participate in the normal activities of the program; and (2) any and all conditions or special needs that may require special accommodations or increased supervision.

Although it is not the intent to exclude those children who require special accommodations or increased care or supervision, the PAL reserves the right to assess each child's needs on an individual basis. The PAL may exclude a child if their needs cannot be met, or, may discuss with parents the option of an additional fee to appropriately staff to meet those needs.

BEHAVIOR/DISCIPLINE

Our policy is to work closely with any child who is misbehaving. Children who continue to misbehave and/or not follow the rules set forth to the group at the beginning of the year will receive a disciplinary form. This form will be placed in the child's file after being reviewed and signed by a parent. When a child receives three disciplinary forms, he/she may be suspended from the PAL program for up to three days. Upon return, if the behavior does not improve, the parent will be required to withdraw their child from the program. If the staff considers a particular behavioral incident to be particularly severe, the child may be expelled from the program immediately. Judging the severity of an incident or the need to write up an incident will be at the discretion of the PAL staff. Please Note: if a child is suspended, no credit or reimbursement will be given for the days missed. If a child is expelled from the program, no credit or reimbursement will be given for the remainder of that month.

GUIDELINES FOR POSITIVE DISCIPLINE

Positive discipline is a process of teaching children how to behave appropriately. Positive discipline respects the rights of the individual child, the group, and the adult.

Positive discipline is different from punishment. Punishment tells children what they should not do; positive discipline tells the children what they should do. Punishment teaches fear; positive discipline teaches self-esteem.

Staff will use positive discipline by planning ahead. Staff will:

- Anticipate and eliminate potential problems.
- Have a few consistent, clear rules that are explained to the children and understood by adults.
- Have a well-planned daily schedule.
- Plan for elements of fun and humor.
- Include some group decision-making.
- Provide time and space for each child to be alone.
- Make it possible for each child to feel he/she has had some positive impact on the group.
- Provide the structure and support children need to resolve their differences.

Staff will use positive discipline by intervening when necessary. Staff will:

- Re-direct to a new activity to change the focus of a child's behavior.
- Provide individualized attention to help the child deal with a particular situation.
- Use time-out by removing a child for a few minutes from the area or activity so that he/she may gain self-control. (One minute for each year of the child's age.)
- Divert the child's attention and remove the child from the area of conflict.
- Provide alternative activities and acceptable ways to release feelings.
- Point out natural or logical consequences of children's behavior.
- Offer a choice only if there are two acceptable options.
- Criticize the behavior, not the child. Will not say "bad boy" or "bad girl." Instead, we will say, "That is not allowed here."

Staff will use positive discipline by showing respect and encouragement. Staff will:

- Catch the kid being good. Respond to and reinforce positive behaviors; acknowledge or praise to let the child know you approve of what he/she is doing.
- Provide positive reinforcement through rewards for good behavior.
- Use encouragement rather than competition, comparison or criticism.
- Overlook small annoyances.

A Child Will Not Be Expelled if a child's parent/guardian:

- Questions the site regarding policies and procedures.
- Makes a complaint to the Office of Licensing regarding a center's alleged violations of the licensing requirements.
- Reports alleged abuse or neglect occurring at the center

SCHEDULE FOR SUSPENSION OR EXPULSION:

If the remedial actions above have not worked, the child's parent/guardian will be advised verbally and in writing about the child/parent/guardian behavior warranting a suspension or expulsion. A suspension is meant to be for a specific period of time so that the parent/ guardian may work on the child's behavior or to come to an agreement with the site.

- The parent/guardian will be informed regarding the length of the suspension period.
- The parent/guardian will be informed about the expected behavioral changes required in order for the child or parent to return to the site.
- The parent/guardian may be given a specific suspension date that allows the parent sufficient time to seek alternate childcare.
- Failure of the child/parent to satisfy the terms of the plan may result in permanent expulsion from the site.

PROACTIVE ACTIONS IN ORDER TO PREVENT SUSPENSION OR EXPULSION:

- Staff will try to redirect the child from negative behavior.
- Staff will reassess site environment, and the grouping and supervision.
- Staff will use positive methods and language while disciplining children.
- Staff will reward appropriate behaviors.
- Staff will consistently apply consequences for rules.
- Child will be given verbal warnings.
- Child will be given time to regain control.

- Parent/guardian will be notified verbally.

- The director, site staff and parent/guardian may have a conference to discuss how to promote positive behaviors.
- The PAL may recommend an evaluation by the local school district child study team.
- The PAL may recommend an evaluation by a professional consultation on premises.

**Subsequent to professional evaluation and recommendation,
PAL officials and parents/guardians will meet to discuss cooperative proactive efforts,
and then decide if the child can appropriately continue in pal care.**
