

Dear Friends,

We, the Napa Babe Ruth and Cal Ripken Baseball Board are sad to announce that it is time to shut down the league and end what has been 50 years of instruction and play here in Napa. In short, we have simply dwindled to so few players that we can no longer provide the level of experience that our Kids and Families deserve. It has been our sincere honor to serve the Families of Napa over these many years and going forward hope that you continue to play and support this game that we all love so much.

If this message reaches anyone during their search to register a player for baseball, we hope you will seek out our friends at Napa Little League, [napalittleleague.org](http://napalittleleague.org).

Sincerely,  
Ken
