Their display of team spirit was very inspiring to all that were involved with this wrestling season. Whether a wrestler, coach or fan we all enjoyed

hearing your motivational chants or watching the routines that all of you displayed not only to the visiting team but also to our hometown crowd as well. Congratulations to all of the Cheerleaders and their Coaches.

Notes of Thanks

Rhonda Weinrich—for helping with and coordinating all the food stand supplies and activities

Floyd Brown, Danny Williams, and the entire High School wrestling

team.-for taking the time out of their busy schedules to help teach our young wrestlers.

Laura Frey-for coordinating all the fundraising activities .

Pam Behler—for coordinating the banquet activities.

Mandy Laybourn- for coordinating all the team mom responsibilities.

And to all the parents who have helped out in some way with this entire season. Without your support it could of not been successful!
