To everyone who in some way has made this season special---THANK YOU! It has been a season of firsts! A success all the way around! From switching leagues to the VEWL: with 4 days to go to the first match of the season, and to having the LABC's very first female wrestler. We all can be proud of the accomplishments of this wrestling team. These young wrestlers came prepared every weekend, and that is a credit to not only them, but the parents of these fine young men and women. This team never changed "gears" just kept rolling along. That to us and the entire LABC organization shows true focus! Parents please be proud of your wrestlers! Every one of them wrestled with confidence and heart! And it showed in each match! The tell tale sign of a veteran team coming together was in the Stroudsburg match when the wrestlers pulled together and won the majority of bouts against a tough opponent. Our presence in the league was known by that week's end! Beating Palmerton in their own facility and having our parents' cheer the way they did at the end of that event was monumental in defining the character of this team. The Pocono Mountain match at Parkland really showed the league just how tough this Lehighon Indian team really is. Followed by a powerhouse sweep at the duels and having almost half of our wrestlers place at perhaps the toughest youth varsity tournaments in the entire country as some people would believe. We here believe this was truly a season to remember!! Thank you coaches, parents, fans, cheerleaders and most importantly our wrestlers. What a great season we had will not forget to soon. ! Have a great off season and hope to see everyone back next season.

Coach Mike

and the entire coaching staff
